CATEGORY:

MINUTE TEXT: Parties argued a discovery dispute involving timely
 production of witnesses for deposition and the motion to
 stay the case pending the patent office's review of
 defendant's IPR petitions. Parties informed the Court that
 the related litigation in Delaware is stayed until February
 2020 pending the Delaware patent office's review of IPR

petitions filed in that case. The Court stated it has reached a decision on the Motion to Dismiss and will issue an order shortly allowing one claim to proceed and dismissing one claim. The Court encourages parties to consent to a special master to assist with initial recommendations to the Court, but acknowledges this would be at the cost of the parties. Plaintiff's response in opposition to the Motion to Stay is due today, and Defendant has 48 hours to file its reply brief (on 5/8). The Court will issue a ruling on the motion to stay on Friday 5/10.
